Shuttle service between hotel and training facility

Every morning and afternoon, we will provide free transportation between Farum Park Hotel and the training facility.

Travel planning

For those choosing to lodge at the hotel, we recommend arriving the night before (Thursday May 3). This will give you time to settle in and to attend the “meet and greet” party in our hospitality suite. All instructors will be present and you will have a chance to get to know some of the people you will be spending the following three days with. Those not lodging at the hotel are of course also invited to attend the party.
